Saleem Pandugalla

Entry-Level Python Developer | Software Developer

GitHub: github.com/saleem0096 | India

PROFESSIONAL SUMMARY

Entry-level software developer with a B.Tech in Electronics & Communication Engineering and practical project experience in Python, Django, SQL, and frontend development. Interested in building reliable web applications, backend services, and user-focused software.

TECHNICAL SKILLS

Programming: Python, JavaScript, OOP
Backend & Databases: Django, SQL, MySQL, DBMS
Frontend: HTML, CSS, responsive UI
Tools: Git, GitHub, debugging

PROJECTS

E-Commerce Order Management System — Django, MySQL
Web application project for managing e-commerce order records and related data.

Shipment Order Tracking System — HTML, CSS, JavaScript, Leaflet
Interactive demo featuring tracking ID lookup, route visualization, checkpoint timeline, and simulated shipment status.

Food Delivery Platform UI (Swiggy-inspired) — Frontend
Frontend clone focused on food categories, restaurant discovery, and ordering interface design.

ATM Transaction & Cash Withdrawal System — Backend
Backend-focused project representing withdrawal flow, transaction validation, and balance-handling logic.

Smart Helmet for Accident Detection — Arduino Nano, GPS/GSM, sensors
Embedded-systems project using sensors and communication modules to support accident detection and alerts.

INTERNSHIP EXPERIENCE

Python Developer Intern — JSpiders
Python development internship and practical learning in programming fundamentals and application development.

Python Developer Intern — ExcelR (Remote)
Python development internship experience with remote learning and practical development activities.

EDUCATION

B.Tech — Electronics & Communication Engineering
Sai Rajeswari Institute of Technology · Completed 2025 · CGPA: 7.3/10

CERTIFICATIONS

- AI & Machine Learning — ExcelR / APSCHE collaboration, April 2025
- Cloud Computing Engineering — ExcelR / APSCHE collaboration, July 2024
- Python Internship Certificate — JSpiders
- Python Developer Internship Certificate — ExcelR (Remote)

Verify internship dates, certificate titles, and project details against official records before applying.
